

Munger Place Church Proposal Sheet

The mission of Munger Place Church:
to lead a growing number of people into a growing relationship with Jesus Christ.¹

Strategic Questions:

What are you proposing? (Tell us in no more than 3 sentences.)

How does your proposal fit within our mission as a church, i.e., how would it help us to reach more people and/or move them closer to Jesus?

Out of all the things we *could* be doing as a church to fulfill our mission, why should we adopt your proposal?

What is the win for your proposal?

What would wild success look like for your proposal?

Practical Questions:

Who would lead your proposal?

¹ Everything we do should be aligned with that mission: reaching more people *so that* more people can become more and more like Jesus.

Who is your staff contact?

How much would it cost?

What is your target audience?

How will you market to your target audience?

Please provide the where, when, how long, etc., about your proposal.
